

Gbemicharles

AI & Web3 Full-Stack Developer | Website, Bot & Mini-App Builder

Email: lordgbemicharles@gmail.com | Telegram: t.me/gbemicharles | GitHub: github.com/gbemicharles | Twitter: @Gbemicharles_ | Domains: gbemicharles.com / .org / .dev / .ton

PROFESSIONAL SUMMARY

Highly skilled AI Expert, Full-Stack Developer, and Web3 Engineer with 9+ years of experience designing and building responsive websites, custom webpages, Telegram automation bots, and blockchain-integrated Telegram Mini-Apps (TMAs). An early participant and strategist within the TON ecosystem, leveraging modern JS/TS frameworks, Python, and AI integrations (LLMs, Vector databases, automated workflows) to bridge responsive UI/UX with robust decentralized structures.

TECHNICAL SKILLS

Web & App:	Website Design, Telegram Mini-Apps (TMA), TON Connect, React, Next.js, TypeScript, HTML5, CSS3, Responsive UI/UX, Web Performance
Bots & AI:	Telegram Bot API (Node.js & Python), OpenAI API, LLM Tooling, Semantic Search, Vector DBs, Prompt Engineering, Automation Bots
Backend & Core:	Node.js, Express, Python FastAPI, PostgreSQL, MongoDB, Redis, Docker, Git Version Control, CI/CD Pipelines

PROFESSIONAL EXPERIENCE

Web3 Software Engineer & Community Strategist	2024 - Present
Pedro TON (@_PEDROTON)	TON Ecosystem
- Engineered responsive Web3 landing pages and custom portal interfaces integrated with wallet protocols. - Designed and shipped interactive layout components optimized for mobile Telegram browsers. - Directed social community strategies and structured engagement dashboards to grow the token holder base.	
Full-Stack Web & App Developer	2023 - Present
Freelance & AI Engineering Contracts	Remote
- Build responsive websites, custom landing pages, and cross-platform layouts using React and Tailwind. - Develop custom Telegram Mini-Apps (TMAs) with @tonconnect wallet synchronization. - Program Telegram automation bots and integrate OpenAI API nodes for intelligent FAQ and group moderators.	

EDUCATION & CERTIFICATIONS

ND & HND in Computer Science	2018 - 2023
Computer Science Studies (Institution Unspecified)	
Certificate in Mobile App Development	2022
AstraTech
